The General Assistant Commissioner
Kolar District

Respected Sir,

I beg to state that my batta bills for the months of January, February, and March, have been disallowed by the Comptroller's office with a remark, that Maistries belonging to inferior Service are not entitled, under article 256 of Mysore Service Regulations, and that no mileage and batta can therefore be passed.

In the Department of Public works, Sub Overseers and Taluk Maistries are not given mileage and batta, as their duties of inspection of works are confined to a small area. Taluk Maistries are only in charge of works in one Taluk and Sub Overs are in charge of a few works close to each othe Thus it is considered that they can perfor-

of every taluk, and the small horse allowance
of Rs 8/, which is given to me is quite in-
adiquate to meet my travelling expenses.
During the Summer, when the wells do not
contain water, I have to inspect them and t
measurments. To fulfil this object I hav
to perform rapid journeys from one talu
to the other entailing heavy travelling expen
I am required frequently to accompany
Superior officers on Inspection duty, when
also, I have to necessarily make rapid
journeys.

3. I formerly belonged to a Superi
Establishment, and I was given promoti
and taken as Irrigation Wells Inquiry attac
to the Establishment of the District offi
It is needless for me to say that I will suf
eventually a great deal if the present ser
is treated as inferior one.

4. Considering the difficult and re
responsible nature of the duties I
have to perform, I respectfully beg that
you will be generously pleased to recomme
that

Wells were taken by Surveyor Taluk wise

This office No: 3880 dated 24th July 1899 requesting the General Secretary to obtain Government sanction to service Yalook Maistries being treated as "Superior", under article 256 of the Mysore Service Regulations.

In continuation of the above, has the honor to request the General Secretary will be so good as to obtain the sanction of Government to Channel Monegars also being treated as "Superior" (1) as the sanctioned salary of the post-

post- is from Rs 15 to Rs 25 (but some men are first- entertained on Rs 10 and allowed to rise), and (2) as the duties which they have to carry out are practically the same as those performed by Yalowk Maistries- viz: execution of works, taking measurements, inspection of Channels,- in addition to re- =gulating the discharge of water through the sluices under the direction of Channel Sub Overseers.

Bangalore.

Sir

In submitting herewith the Travelling Allowance bill of the Hiriyur Taluk Establishment for the month of May last, I have the honor to state that the allowances claimed by Well maistry Eswarappa of that Taluk for having proceeded to Davangere on Government work under my orders have been disallowed by the Controller on the ground that the services of this class of Officials are treated as inferior under article 256 of the Mysore Leave

Regulations

Regulations-

2. The pay of these Officials is Rs 20+ Horse Allowance, and as such, when a vacancy falls in that grade. Officials of the Revenue Department whose pay is Rs 12 or 15 and whose services are classed as Superior are often promoted to it.

3. In the article quoted by the Comptroller it is stated that the services of mestries in the D. P. W. whose pay is less than Rs 25/- are to be treated as inferior. The Well mestries are not those appointed by the D. P. W. and I therefore beg to recommend that the services of these men may be ordered to be classed as Superior and the enclosed bill transmitted to the Comptroller for audit.

I have the honor to be
Sir
Your most obedient Servant.
